

My mom loves
the sessions designed
especially for her!
Fun songs and
instruments!
- Mary S.

Art therapy
has been really
great for my kids.
They love it! .
-Jeff C.

The therapists are just so sweet, so personable, so down to earth, and so very talented! They think of amazing ways to make my little guy love his therapy sessions.

He has cerebral palsy, seizures, and blindness, so seeing those rare smiles come frequently during his therapy sessions really mean the world to me. - Emily O.

TAG has been
great, their
therapists are
awesome!
